FIRST TIMER SPOTLIGHTS

SIGMA

"It was so cool to witness and partake in the meaning of Brotherhood at the regional level. To be surrounded by people as ambitious, driven, and caring as the KY Brothers I met ignited a renewed sense of commitment to the pharmacy profession. I enjoyed being able to hear from Chai and other leaders from different chapters, and it inspired me to continue working diligently to make a positive impact on the broader community. MEP was a priceless opportunity to build lifelong relationships with Brothers cross-country!"

-Brother Min Ji Suh

BETA ETA

"During our time in Kappa Psi, everyone always talked about how much fun and exciting province was. Once we decided to go to MEP hosted by Delta Xi, we realized what everyone was talking about! We met many people from all over, learned valuable lessons from Chai and the breakout sessions. During the legislative session, it was exciting to see how passionate everyone was about KY! We thoroughly enjoyed our first province and will definitely be going to more in the future! "

-Brothers Alyssa Williams, Kelly Mahoney, and Justin Hinish
