**BROTHERS FROM ALL OVER

BROTHER KAYLEIGH MOYER BETA KAPPA REGENT '25-'26

Hosting MEP at Pitt was an incredible experience for our whole chapter. Seeing so many of our Brothers (specifically our newly initiated Brothers) attend and engage in the assembly was amazing. Many of our Brothers recalled the fun times and many connections that they had made at our chapter meetings following the assembly. Our chapter greatly appreciated our host chapter appreciation, and I would personally like to thank our amazing MEP e-board for their assistance, our amazing Beta Kappa Brothers, our GCDs, and all of the attending Brothers for their continue support in the process. We look forward to attending more assemblies in the future as we have all learned so much.
