Mountain East Province

# 2026 Mountain East Province Fall Assembly Legislative Proposals:

**Ordinance 5: Composition of the Province Assembly**

Section 7: Mountain East Province lowest priced registration fee (per respective Brother status) shall be reimbursed to the following brothers: collegiate Province Officers, Province Supervisor, Assistant Supervisor, members of the International Executive Committee, and Grand Council Deputies of collegiate chapters. The Brother shall only be reimbursed by the Mountain East Province after the host chapter has received payment and upon attendance of the Brother at the Assembly.

Proposal:
Section 7: Mountain East Province lowest priced registration fee (per respective Brother status) shall be reimbursed to the ~~following brothers: collegiate Province Officers,~~ Province Supervisor~~,~~ and Assistant Supervisor~~, members of the International Executive Committee, and Grand Council Deputies of collegiate chapters~~. The Brother shall only be reimbursed by the Mountain East Province after ~~the host chapter has received~~ payment has been received and upon attendance of the Brother at the Assembly.

Rationale: This proposal is related to Brother Chai Wang's Resolution from Spring 2026 MEP Assembly:

WHEREAS, a comprehensive, detailed action plan for a balanced provincial budget will enable the Executive Board to identify revenue sources, control expenditures, and maintain a positive cash flow margin that protects the long-term interests of member chapters; THEREFORE, BE IT RESOLVED, that the Mountain East Province of Kappa Psi Pharmaceutical Fraternity hereby directs the Province Executive Board to strive to achieve a minimum net surplus of two thousand five hundred dollars ($2,500.00) for the Fall Assembly 2026, to be accounted for and reported transparently to the membership; BE IT FURTHER RESOLVED, that the Province Executive Board shall develop and present to the membership a detailed, written action plan for a balanced provincial budget no later than thirty (30) days prior to the Fall Assembly 2026, which shall include projected revenues and expenditures, strategies to ensure a positive cash flow margin, and mechanisms for ongoing financial oversight; BE IT FURTHER RESOLVED, that the Province Executive Board shall provide a mid-cycle financial progress report to the membership, outlining progress toward the surplus target and adherence to the approved budgetary action plan.

A comprehensive review of MEP finances was conducted for fiscal years 2023 to 2026. The analysis found that Province expenditures totaled $1,425 in 2023, $646 in 2024, $1,562 in 2025, and are projected to be approximately $1,750 in 2026. These expenses were directly associated

with reimbursing registration costs for collegiate Province Officers, members of the International Executive Committee, and Grand Council Deputies representing Collegiate Chapters. Expenditures related to Province Supervisors and Assistant Supervisors were excluded from this analysis.

Implementing this change would reduce the Province's annual expenditures by eliminating or decreasing these reimbursement costs, resulting in lower outgoing expenses and providing greater financial flexibility for future Province initiatives and priorities.

Submitted by: MJ Braham, MEP Satrap

*The Legislative Committee* ***recommends for adoption.***
