## SPRING MOUNTAIN EAST PROVINCE ASSEMBLY

Hosted by Beta Eta  
November 14-16, 2025

Brothers traveled from all over the country to meet in the heart of Mountaineer Country; Morgantown, WV!

The 2025 Fall Mountain East Province Assembly, hosted by Beta Eta in Morgantown, West Virginia, was an outstanding weekend and a true showcase of our brotherhood. The Assembly welcomed 137 brothers for a weekend focused on collaboration, meaningful discussion, and connection across chapters. From productive business sessions to networking opportunities and everything in between, the weekend reflected the engagement and dedication that continue to move our province forward. I am sincerely grateful to each Beta Eta Brother for all of the hard work that went into hosting. Thank you for making Morgantown a memorable stop for the MEP. I look forward to what we will accomplish together next in Pittsburgh, PA, at the 2026 Spring MEP Assembly, hosted by Beta Kappa!
